0 of 10 answered

- The evaluation form can be made available and included during the live days as part of the live streams and on-demand sessions. For on-site participants, the QR code and/or URL should be included in a presentation (e.g. closing slides or similar).
 - Free text entry
 - Rating
 - multiple choice
- One export as excel-file with the results is included and supplied within 72 hours after the last live session of the congress is over.
- **Optional:**
External Evaluation can be embedded via provided link – on request

Please supply the questions at least **14 days** prior to live event days to industry@m-events.com.

Please note: If submitted after the deadline, M Events will try its best to implement but does not take any responsibility to process it in time.

BACK TO PRESENTATION

Branding

Digital Lectern Branding

One digital lectern with one integrated 40" vertical front display will be placed on the stage of the session room.

Resolution: 1080 px wide, 1920 px high, 96 dpi

Please provide:

- 1 background image (PNG, JPEG or similar graphic format) with 1080 px wide and 1920 px high in 96 dpi
- if speaker name shall be displayed leave the top 480px plain and indicate the text color for the name
- if the speaker name shall not be displayed prepare a full screen image

Branding

PiP Background Branding

Includes the integration of one individual background design for one symposium.

- The dynamic content (session title, session room name, chair names, speaker name, presentation title) as well as slides (ppt) and speaker photo or camera picture will be generated automatically and always be placed overlaying the background design.
- These items cannot be modified or removed.
- Background design will be visible during the entire session (during presentations, speaker change etc.).

Requirements:

- The ready-made background designs has to be delivered by the company **7 days** before the congress.
- Background design specifications:
1 image (PNG, JPEG) in 96 dpi with 1920 px wide and 1080 px high (for 16:9 projection format)

Examples:

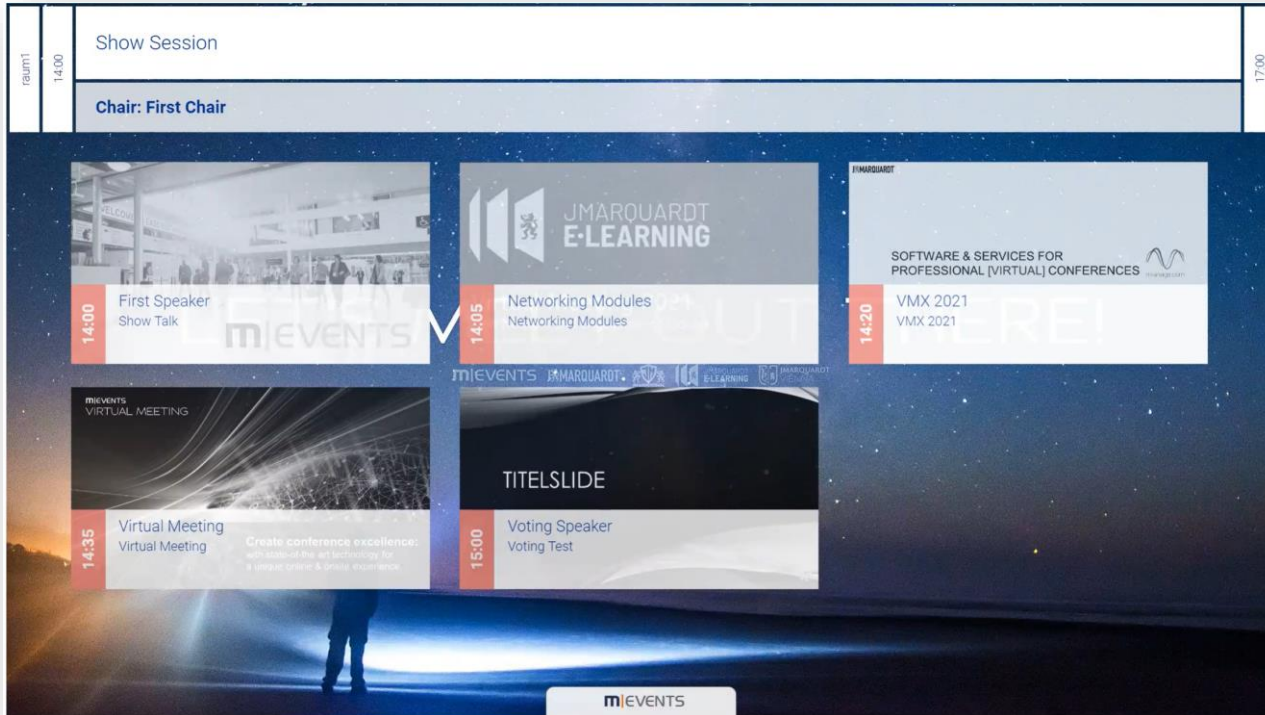

Individual session branding during live presentation in PiP view if default congress setting will be used. If pre-recording in PiP view will be delivered, the pre-recording will be shown in full screen mode (entire orange framed area).

Branding

HYBRID

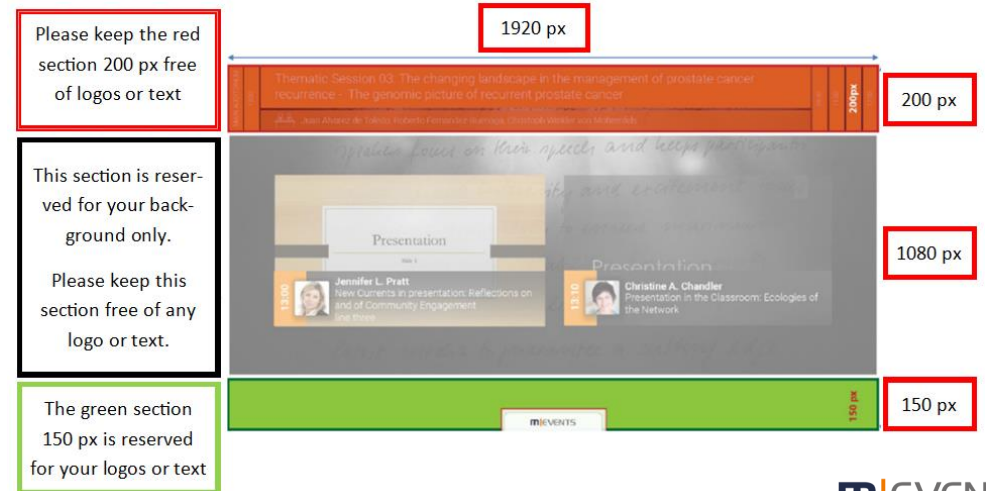

Main Projection Branding – rooms with full screen mode (no PIP)

- Background of the menu can be branded with an individual design.
- Content will be generated automatically and always be placed overlaying your background design (session title, session room name, chair names, presentation buttons with speaker name and presentation title, M Events help button, etc.). These items cannot be modified or removed.

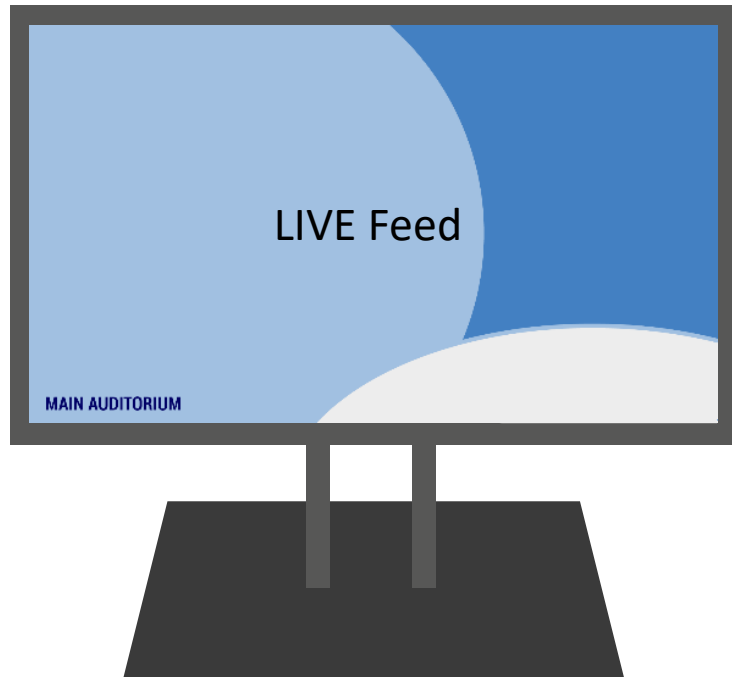

Please provide:

- 1 background image (PNG, JPEG or similar graphic format) with 1920 px wide and 1080 px high (for 16:9 projection format).

OnStage Setup

Extra 42" / 55" preview screen incl. stand

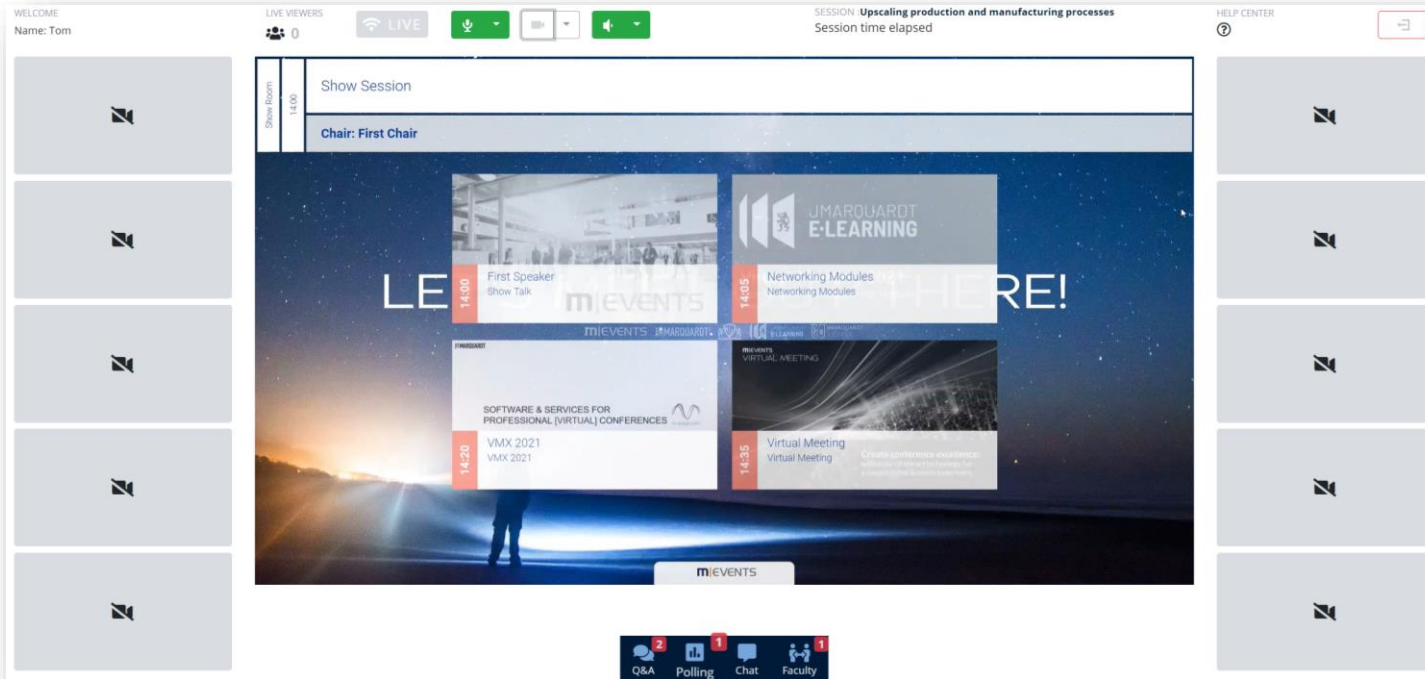

- Book additional preview screen(s) in addition to the one already placed on lectern and interactive chair tables (if part of the standard room setup)
- 42" or 55" preview screen on stage to show remote speaker, slides or Q&A questions to the chair/speaker.
- Comes with floor stand
- Next to speakers desk or other preferred position on stage

Individual Session Rehearsal

per session

A dedicated hybrid rehearsal in the session hall to test full functionalities such as:

- max. 1 hour duration (timeframe to be defined)
- incl. dedicated technician
- 1-2 company representatives can be invited
- Polling, Evaluation etc. testing is possible (if booked and templates for setup are submitted until the deadline)
- final presentations and/or pre-recordings needs to be uploaded to the presentation management system beforehand until the mentioned congress deadline
- Final show flow (agenda running order with details) is required
- final rehearsal slot needs to be coordinated according to the congress programme and setup days

Session

The quick, brown fox jumps over a lazy dog. DJs flock by when MTV ax quiz prog

→ [View Session Outline](#)

The screenshot shows a live session interface. At the top, it displays 'Room 1' and the time '10:00-10:45'. The session title is 'The quick, brown fox jumps over a lazy dog. DJs flock by when MTV ax quiz prog. Junk MTV quiz graced by fox whelps. Bawds jog, flick quartz,'. The chairs are listed as 'Nolan Everson' and 'Emilia Dalo'. A video player shows a presentation slide with an X-ray of a pelvis and the text 'Presentation'. To the right of the video is a 'Presenters video' section featuring 'Prof. Jason Chirstensen' and the same session title. Below the video player, there are social sharing options: 'Add to Calendar', 'Add to Favourite', and 'Write a Comment'. At the bottom right, there is a 'Share this' section with icons for Facebook, Twitter, and LinkedIn.

Package includes the online publication of one symposium via OnDemand-Platform incorporating the following content:

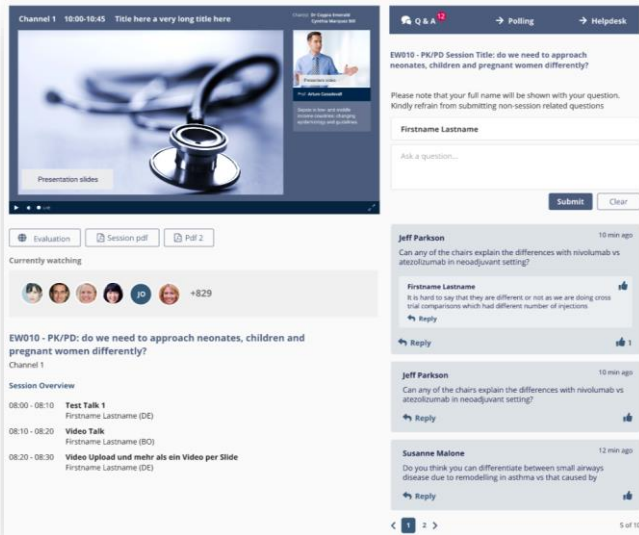

- session webcast will be published according to programme agenda flow
- Produced with a fully automated webcast production system (webcast production starts with open a presentation and stop by closing a presentation)
- One webcast per programme agenda slot where a presentation have been uploaded and opened during session

Requirements:

- Use of the M|Events presentation management system is mandatory
- Speakers have to agree to the publication (or session convenor/symposium organizer on behalf of)

Interactive Audience | Q&A

IPad, connected to the virtual audience Q&A, for Moderation/Chair

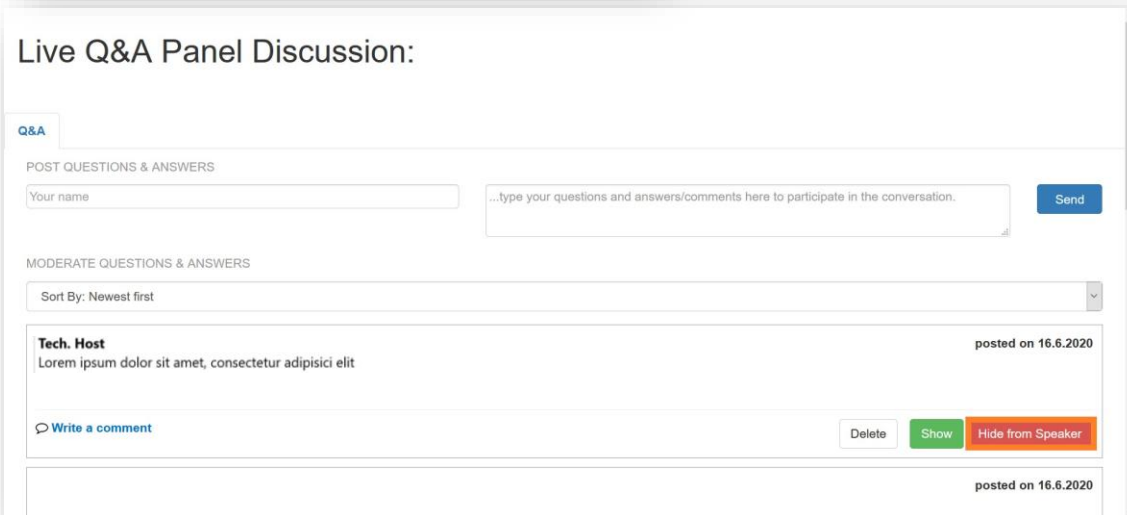

During a live-session the audience can interact in real-time:

- Ask a question to the chairpersons
- Filter option for all incoming Q&A
- incl. audience rating of the incoming questions
- onsite participants can send their questions or comments via their own digital device
- QR Code with the website link can be displayed on the projection screen

Requirements:

- "Q&A" - modul via the Virtual Meeting Service package
